Objective of PE grant spending 2017/2018

1. To improve the provision of Physical Education at Townville Infant School.
2. To develop a lifelong love of sport and raise awareness of the importance of a healthy active lifestyle.
3. To broaden the sporting opportunities and experiences available to all pupils.
4. To increase participation in competitive sport and link to the local community.
5. The profile of PE and sport being raised across the school as a tool for whole school improvement.

We will evaluate the impact of the PE and Sports Premium funding as part of our normal self-evaluation and provision mapping arrangements. We will look at how well we use our Sport Premium to improve the quality and breadth of PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance they are capable of.
